

## **Zoning Information – 6016 Chapman Highway**

**According to Kelly Schlitz with the Metropolitan Planning Commission, the subject property is zoned C-4.**

**C-4: Highway and Arterial Commercial District:** This highway and arterial commercial district is established to provide areas in which the principal use of land is devoted to commercial establishments which cater specifically to the needs of motor vehicle oriented trade. Typical uses offer accommodations and services to motorists, contain certain specialized retail outlets, or provide commercial amusement enterprises. It is the intent to provide a location for the limited amount of merchandise, equipment and material being offered for retail sale that, because of the type of material or transportation requirements, are suitable for display and storage outside the confines of an enclosed building. The intent of this district is to provide appropriate space and sufficient depth from the street to satisfy the needs of modern commercial development where access is entirely dependent on motor vehicle trade; to provide the orderly development and concentration of highway and arterial commercial uses at appropriate locations; and to encourage the development of these locations with such uses and in such a manner as to minimize traffic hazards and interference with other uses in the vicinity.
