

## Utility Information – Marshall County Property

### **Electric:**

According to Jeff McClendon with Duck River Electric:

Line Size:	Single Phase
Location:	Overhead – Nearest pole is approximately 800' from property
Membership Fee:	\$10.00
Meter Fee:	\$30
Deposit:	\$0 - \$400 depending on credit
Cost to Extend:	Overhead Service - Up to 2 poles at no cost \$1000 per pole for additional poles

### **Water:**

According to Tony Bolton with Marshall County Utilities:

Water is currently not available at site. The county currently has a 3 phase plan to expand water service in the county. The subject property falls into Phase 3 of that plan. According to Mr. Bolton, the estimated time for completion of Phase 3 is 3 to 5 years.

### **Gas:**

According to Weks Mankin with Horton Highway Utility District, gas is available approximately 200 yards away and can be extended to the subject property:

Line Size:	2"
Meter Fee:	\$50.00
Connection Fee:	\$20.00
Cost to Extend:	No cost to extend main supply line. Service line cost is \$2.00 per foot.

**Sewer:**

Not available to subject property.

**Schools:**

Chapel Hill Elementary (K – 5)

Forest High School (6 – 12)
