ASSESSMENT AND TAXES

The property is identified for tax purposes as Parcel 186 on Tax Map 104 of the mapping system for Knox County. Since the property is owned by the Knox County government, it is not subject to taxation. However, if the property were owned by a private individual/company, the property would be assessed at a residential rate of 25% of appraised value based on its current zoning. If the property were re-zoned for commercial use, the tract would be assessed at a commercial rate of 40% of appraised value.
